

Bookkeeper and Human Resources Administrator

Position Description

Position: Bookkeeper and HR Administrator

Department: Accounting / Human Resources

Reports to: Executive Director

FSLA: Exempt

Status: Full-Time (40 hours/week)/ Salary

Date Updated: 6/2018

**MĀLAMA
MAUI NUI**

Position summary:

The Bookkeeper and HR Administrator serves as the principal financial and human resources position for the organization. The Bookkeeper and HR Administrator will have the primary day-to-day responsibility alongside executive team for planning, implementing, managing and controlling all financial-related activities of the organization. He/she is directly responsible for the accounting, finance, forecasting, assisting in strategic planning, human resources, legal issues affecting the company/industry, regulatory compliance, property management, negotiation analysis and partner/investor relationships. As a main point of contact for the organization, it is imperative that the Bookkeeper and HR Administrator maintain a thorough understanding and ability to communicate MMN's programs, goals and mission, environmental protection initiatives, sustainable waste management practices, traditional ecological knowledge and eco-psychology as well as a desire to create positive social change. This is generally an office position in which work is performed in the MMN Puunene office and base yard environments with moderate to little supervision or assistance; however, some field participation is required. The Bookkeeper and HR Administrator will be held accountable for exercising discretion in sustainably managing the organization's finances as well as ensuring appropriate measures are taken to mitigate financial and legal risk.

Essential Job Functions:

Financial:

- Provides leadership in the development for the continuous evaluation of short and long-term strategic financial objectives, including recommendations that enhance financial performance
- Evaluates and advises on the impact of long-range planning, introduction of new programs/strategies and regulatory action
- Determine policy on all accounting/auditing, financial and budgeting strategies
- Construct and monitor reliable internal control systems
- Develop budget and cash flow management processes, including performance measures that support MMN's strategic direction and risk management planning and mitigation
- Manage with Executive Director programmatic spending allocations within a non-profit, grant funding based budgetary system
- Process payroll and file all associated Federal and State tax returns and fringe benefits reports
- Process requisition and invoice payment forms for all vendors and issue checks
- Prepare financial documents associated with grant reporting and process grant applications
- Ensure the organization complies with all legal and regulatory requirements
- Maintain appropriate insurance coverage
- Prepare annual budget forecasts and monthly budget reports for the ED and Board of Directors

Human Resources:

- Regularly monitor personnel policies, procedures, and practices to ensure they meet the affirmative action principles, including but not limited to: compensation strategy, employee handbook revisions, performance
